

TIE BREAKER PROCEDURES

In the event of a tie in a golf tournament, the USGA makes the following recommendations, which we will follow in ORMGA events, assuming that a playoff is not possible. Match scorecards for the total score of the last nine holes played. If that doesn't break the tie, then the last six holes: then the last three holes. If there is still no winner, then the last hole may be used. Last...holes played will be interpreted to mean holes 10-18 regardless of where play began.
