

**Ocean Ridge Men's Golf Association**  
**January 2010**

I am looking forward to serving our membership as president of the Ocean Ridge Men's Golf Association. I am in the unenviable position of following Doug MacDonald who was an excellent president. I am fortunate to have a very good executive committee, and committee and weekly chairs who are dedicated and hard working. We all have one common goal. We wish to enhance the golfing experience at Ocean Ridge for all our members. If you have any suggestions for improvements or innovations in our league play or tournament play, please contact any one of us. You can find the full list of names on our web site.

As most of you are aware, Ocean Ridge Golf Management has reduced the number of tee times that are set aside for weekly league play. This was not a big surprise since we were not using all the allotted times. However, we may have problems finding times for all those who wish to play during the "high seasons" when other tee times are more difficult to obtain. Please sign up in the alternate spaces if there is a full sign up. Our weekly chairs can then attempt to get more tee times and we can make a case with Ocean Ridge Golf for more times in the future.

Lastly, Ocean Ridge Golf is requiring rosters for monthly tournaments to be turned in a week or two before the actual event. Please be sure you will be able to play when you sign up for the Tournaments. Last minute cancellations cause problems for the event chairs and could result in charges for individual members.

Lets hope the weather improves, so we can all actually play some golf!

Rick McCafferty
